Attachment to Form 8937

Triton International Limited ("TRTN") made distribution to its Series B preferred shareholders during 2019 as set forth below:

Record Date:

Payment Date:

Per Share Payment:

September 9, 2019

September 16, 2019

\$ 0.45

Pursuant to Internal Revenue Code Section 301(c), TRTN has preliminarily estimated that 100% of the distribution will not be taxable as a dividend and will reduce the adjusted basis of the shareholder's stock to the extent of such shareholder's tax basis (a nontaxable "return of capital" distribution), with any excess treated as capital gain.

Please note that the return of capital distribution characterization being provided is an estimate, and the final characterization of the distribution will not be determinable until year end because the earnings and profits of TRTN cannot be determined until year-end. Revision(s) to the estimated characterization of the above distribution as a return of capital may be communicated through the posting of subsequent Form(s) 8937 without amendment to this form.

The actual amounts will be set forth on each individual shareholder's Form 1099-DIV.
